## COCKTAILS

**Marmalade Whisky Sour** 24  
Classic whisky take on a breakfast martini. Marmalade, bourbon, lemon bitters, lemon sugar and wonderfoam for that frothy finish. Why should breakfast drinkers have all the fun?

**Mai Tai** 25  
From the Tahitian word 'Excellence' our Mai Tai brings you a twist of Jamaican and pineapple rum, marzipan, orgeat and lime for a sweet and sour tropical treat.

**Clover Club** 24  
A light and refreshing take on the traditional Philadelphia cocktail, our version combines fresh raspberries & wonderfoam with lemon juice and gin.

**Smokey Apricot & Elderflower Apertif** 24  
A combination of Apricot liqueur, St Germain, lemon and mezcal giving a fruity, smokey, floral flavour.

**Margarita** 22  
A Mexican holiday in a glass. A true classic for good reason.  
Ask our staff if you would like it spicy!

**Pompelmo Sour** 24  
Grapefruit oleo-sachharum, wonderfoam and Motenegro gives this gin sour Amaro notes. Fresh and bright, sure to liven up your night.

**Baby Goose Espresso Martini** 22  
Goslings black seal rum lends a dark smoothness to this modern classic.

**Barrel Aged Negroni** 24  
We age a classic Negroni recipe in french oak barrels to give an unparalleled complexity to the body of the drink.

**Barrel Aged Old Fashioned** 24  
House blended bourbon aged in charred french oak lends a certain 'je ne sais quoi' to this bourbon classic.
